The TrailMark HOA is looking for 3 new Board Members to begin a 2 year term from November 2026 to November 2028...

If you are interested in running for the TrailMark HOA and helping our community, then please email Ken Colaizzi at president@trailmark.org so we can email you a self nomination form.

In order to keep our expenses to a minimum, we are seeking volunteers who wish to serve their community. If there is ever a time where residents don't step up and serve on the HOA Board, then the HOA would have to be run by attorneys and our dues would sharply increase.

Please consider being a TrailMark HOA Board Member. We are looking for residents who wish to help and serve TrailMark residents. Thank you!
