How to Join the Safe List

Why should I join the Safe List?

The SafeList feature was created to help law enforcement solve crimes, faster.

As a member of the Safe List, any time your plate(s) is photographed by any of your community's Flock Safety cameras, **the photo image will be flagged as "Resident"** when the system administrator(s) or law enforcement reviews surveillance footage.

In the event of a crime, the Safe List feature allows law enforcement to identify vehicles that belong to residents of the community versus non-residents. This key evidence puts law enforcement a step ahead as they work against the clock to solve crime.

This option also allows residents to decide if they would like to be visible on the Flock Safety footage or not. Opting out of being photographed is an option through the Safe List.

How do I join?

A Community Leader, Property Manager, or a member of the HOA board, you will send out the link provided on your Flock Safety system by going to *Organization Management > Safe List*.

Step 1: Send out the unique SafeList URL provided in the Flock Safety system.

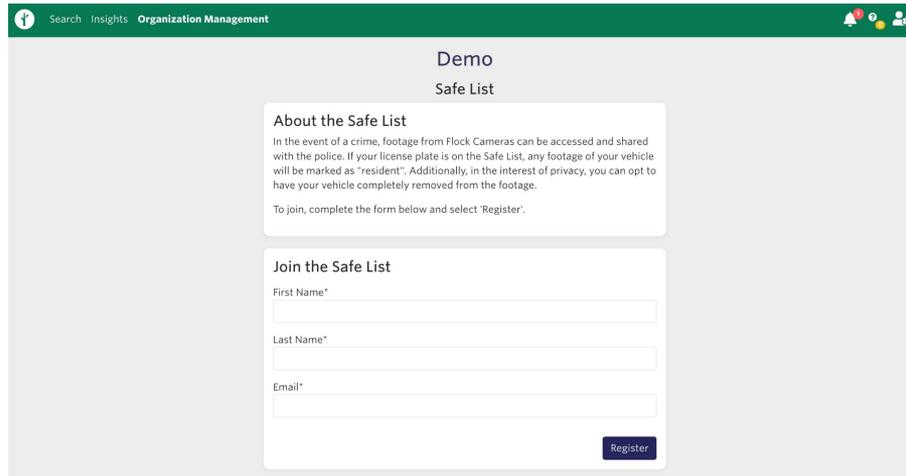

The screenshot shows the Flock Safety web interface. At the top, there is a green navigation bar with a home icon, 'Search', 'Insights', and 'Organization Management'. On the right side of the bar are icons for notifications (with a red '1'), help, and user settings. Below the navigation bar is a breadcrumb trail: 'Organization Management | Account | Organization | Cameras | Roles | Users | **Safe List**'. The main content area is titled 'Safe List' and contains a search input field with the placeholder text 'Search by safe list name, email or network name' and a 'Download CSV' button. Below this is a 'Demo' section. A red arrow points to a red-bordered box containing the text: 'Signup link: <https://users.flocksafety.com/resident/register/34e318ba-0b6c-413f-931d-404e9ac84dc1>'. Below the link is a table with the following data:

Name	Email	Address	License Plate (Allow Footage Capture)
Rusty Ridgeway	rusty [REDACTED]	1234 Main Street	ABC1234 - Allow Footage Capture, DEF5678 - Allow Footage Capture, HIJ9012 - Allow Footage Capture

The members/residents of a community that are being monitored by a Flock Safety surveillance camera system **should receive the email** from a Community Leader, Property Manager, or a member of the HOA board with this link.

Step 2: Click on the unique Safe List URL provided in the email you (the resident) received. It will bring you to a page where you will input your name and email address. Once this is done, press *'Register'* and you will receive a email to create your Flock Safety account.

The screenshot shows a web interface for joining a Safe List. At the top, there is a green navigation bar with a search icon, the text 'Search Insights Organization Management', and notification icons. Below the navigation bar, the page title is 'Demo Safe List'. The main content area is divided into two sections. The first section, 'About the Safe List', contains text explaining that footage from Flock Cameras can be accessed and shared with the police, and that license plate information on the Safe List will be marked as 'resident'. It also states that users can opt to have their vehicle removed from the footage. The second section, 'Join the Safe List', contains a registration form with three input fields: 'First Name*', 'Last Name*', and 'Email*'. A blue 'Register' button is located at the bottom right of the form.

About the Safe List

In the event of a crime, footage from Flock Cameras can be accessed and shared with the police. If your license plate is on the Safe List, any footage of your vehicle will be marked as "resident". Additionally, in the interest of privacy, you can opt to have your vehicle completely removed from the footage.

To join, complete the form below and select 'Register'.

Step 4: Fill out the required field information in the 'Safe List' section.

- Enter your home address and your license plate information in the available fields.
 - When entering license plate information, enter the characters directly as seen on the plate itself with no spaces. License plates should be entered as one continuous alpha-numeric series of digits.
 - Be sure to press 'enter' after typing your license plate information, it will then be highlighted grey with an "X" beside it when ready to save.
 - To remove or edit a license plate that has already been entered, simply hit the "X" and re-enter intended plate digits.
 - You can enter multiple license plates by typing each in separately after pressing enter.
- This is also where you will be able to decide if you wish for your vehicles to be shown on the footage that will be captured by Flock Safety. If you wish to opt out from being photographed, select the checkbox below *License Plate(s)*.
- Select 'Save' once everything is inputted. You are officially registered on your community's Flock Safety Safe List!

The image shows a screenshot of a web application interface. At the top, there is a dark green header with a search icon, the text 'Search Insights Organization Management', and notification icons. Below the header, a breadcrumb trail reads 'Organization Management | Account Organization Cameras Roles Users Safe List'. The main content area is divided into two sections: 'Manage Account' and 'Demo Safelist'. The 'Manage Account' section has a 'Name' field with 'Rebecca Gregor' and an 'Email' field with 'rebecca [redacted]@gmail.com'. The 'Demo Safelist' section has a 'Street Address' field with '123 Main Street', a 'License Plate(s)' field with '1234ABC x', and a checkbox labeled 'Remove my vehicles from footage'. A 'Save' button is at the bottom right of the 'Demo Safelist' form. On the left side, four white boxes with black borders contain text: 'Your login information' (pointing to the Name and Email fields), 'Your home address' (pointing to the Street Address field), 'Your license plate information' (pointing to the License Plate(s) field), and 'Select if you wish to not be shown on the Flock Safety footage*' (pointing to the checkbox).

Where do I see this information?

Where can I (the Community Leader, Property Manager, or a member of the HOA board) see this information?

You will be able to see everyone who registers on the Safe List by going to *Organization Management > Safe List*. Their information will be listed there.

The screenshot shows a web interface titled "Safe List". At the top, there is a search bar with the placeholder text "Search by safe list name, email or network name" and a "Download CSV" button. Below the search bar, the word "Demo" is displayed, followed by a "Signup link" pointing to a specific URL. The main content is a table listing registered users. Each row contains the user's name, email address (partially redacted), address, and license plate information. A red arrow points to the entry for Rebecca Gregor, which is also highlighted with a red border.
