## Drivers: Reminder to Stop when School Bus Lights are Flashing

As we start a new school year, we would like to remind residents that when the school bus lights are flashing **RED**, drivers must stop from every direction.

Colorado law states: "You must stop your vehicle at least 20 feet before reaching a school bus that is stopped with its red lights flashing whether it is on your side of the road, the opposite side of the road, or at an intersection you are approaching. You must remain stopped until the flashing red lights are no longer operating. Watch carefully for children near the school bus and children crossing the roadway before proceeding."

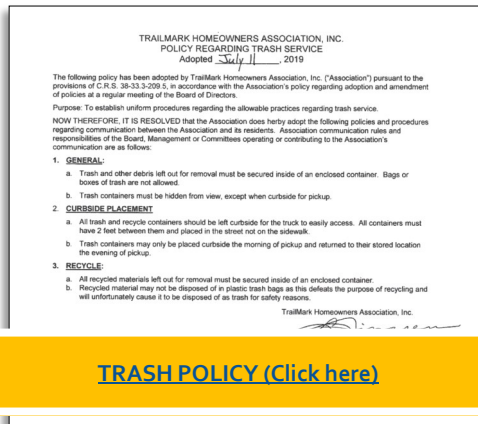

**Join Us**

[www.trailmark.org](http://www.trailmark.org)

# Trash Policy

This is the TrailMark HOA's [Trash Policy](#). The purpose of this policy is to establish uniform procedures regarding the trash service. Please note that this is not a new policy, it is simply a formal statement of the current procedures. Please review the policy to ensure that your trash containers are compliant. Please note that recycled materials may not be disposed of in plastic trash bags. If you have any questions, please contact the management company.

## Alpine Waste Price Increase

Due to rising prices and low demand for recycled goods, the trash contractor has had to increase prices on their recycling services. This is an industry-wide issue and your HOA Board is discussing the best way to respond. Please continue to check the [TrailMark HOA website](#) and upcoming newsletters for more information.

## Looking for Social Event Sponsors

The Social Committee is looking for business sponsors for some of our 2019 events! In order to keep from raising dues or event entrance fees we are looking for sponsors for various portions of events. There is currently a need for sponsors for the upcoming Corn Maze, TM5K and Night at the Lights.

If you or your business is interested in helping to sponsor one or more of these events, please take a look at our [Sponsorship Opportunities](#). Then fill out the [Sponsorship Agreement](#) and email it to [social@trailmarkhoa.org](mailto:social@trailmarkhoa.org). We love putting on these amazing events for our neighbors, but with rising event costs we need your help! Thanks so much!

Tuesday, August 6th is National Night Out.  
Get outdoors! Meet your neighbors!

## Recycling Tips

Important tips on recycling your trash and different types of materials, from our [Waste & Recycling page](#) on the TrailMark website.

### List of Items that can be Recycled

#### Did you know?

Reattached bottle caps can be recycled, too. Alpine Waste requests that you reattach caps to bottles so that they don't take up room in the landfills. Also, security rings can stay on the bottles (not to be confused with 6-pack holders which cannot be recycled).
