Trailmark HOA

To Sal Janssen

Sally, I wanted to let you know that I truly appreciate working with the Trailmark HOA. I realize all the hard work you and the board members put in for the community and the city of Littleton. Your work keeps the neighborhoods a great place to live and maintains a high quality of life for Trailmark residents. Over the years I've worked with many HOA's and I truly enjoy working with you and others on the Trailmark HOA. Everyone has been highly professional, thoughtful and careful in their work for the community and the city of Littleton staff. Thank you all for your hard work and dedication to the city of Littleton.

Take care
