- You avoided **43,647** lbs carbon equivalent of GHG emissions

- You saved enough electricity to power the average US home for **3,877** days
- You helped keep **3** truck loads of trash out of the landfill
- You saved **72,623** gallons of water

This Month's Tip for Increasing Recycling

Did you know that textiles should never be placed in the recycling bin? Items like clothing and bedding are not accepted in single stream as they become tangled in the recycling equipment. Items like these should be donated to thrift stores or homeless shelters.
