- You saved enough electricity to power the average US home for **2,758** days
- You helped keep **2** truck load of trash out of the landfill
- You saved **51,672** gallons of water

This Month's Tip for Increasing Recycling

Did you know that you should always replace the cap on your plastic bottles once they are empty? Caps that are separated from their original plastic bottle are too small to be captured in the recycling process.
