

Pre-Application Meetings

Purpose

A pre-application meeting benefits the applicant by giving them the opportunity to present basic information to staff representatives from the Community Development, Public Works, and Fire Departments. The applicant will receive general comments on the feasibility of the plan, the process(es), submittal requirements and fees required to process and review the plan.

Schedule a Meeting

Pre-application meetings are held on Thursdays at 9:00 a.m. and 10:00 a.m. In order to schedule a meeting, the applicant must submit a pre-application meeting request with supporting documents to DRT@littletongov.org by **Wednesday at noon**. Meetings are scheduled one to six weeks out on a first come, first served basis.

Pre-Application Meeting Packet Requirements/Checklist

In order to assure a successful pre-application meeting for the applicant, some basic materials must be submitted to the Community Development Department, so that staff can review the materials prior to the meeting.

The applicant should email packet materials to DRT@littletongov.org and include the following:

- Pre-application meeting request form (attached).
- A separate letter of intent for your proposal discussing any relevant background, current site status, all proposed uses and possible structures, any relevant information regarding easements, dedicated tracts, or covenants.
- Rough sketch plan showing current and proposed zoning, proposed access, site data calculations (floor area, F.A.R, density, existing parking spaces, existing drainage patterns and lot layout).

**One printed copy of the packet materials should be brought to the pre-application meeting by applicant.

All packets must be complete before the Community Development Department will accept the submittal and schedule the pre-application meeting. Applicant will receive an email confirming receipt of request form and packet and assign next available meeting date and time. This will be your meeting date unless you contact us to request a different available meeting date and time. If applicants miss a scheduled meeting, they will be required to reschedule for the next open date available.
