

2016 Sewer Rates
EXHIBIT "B"
SEWER SERVICE CHARGES

(Bi-Monthly Billings)

(Effective with November/December 2015 Billing Period)

This schedule of charges may be changed by the District, at any time without notice.

(1) **SEWER SERVICE CHARGES:**

Beginning with the date of issuance of the sewer tap permit, the District shall bill bi-monthly sewer service charges.

(2) **RESIDENTIAL:**

Sewer service charges shall be based on the following schedule of equivalent residential units (EQR), at a bi-monthly charge of **\$55.91** per EQR.

	<u>EQR</u>
Single Family Units	1.0
Multi-Family Units - per Unit	1.0

(3) **COMMERCIAL/INDUSTRIAL (INCLUDING HOTELS AND MOTELS):**

Sewer service charges shall be based upon a monthly average, of metered water, used during the winter months. The charge shall be billed bi-monthly at the rate of \$3.68 per 1,000 gallons, with \$55.91 as a minimum bi-monthly charge.

(Adopted on November 18, 2015, by the Board of Directors,
Ken-Caryl Ranch Water and Sanitation District.)
