There is a new web page that welcomes TrailMark's incoming residents and offers essential information for a smooth transition - <https://www.trailmark.org/new-residents.html>

## Culverts and storm sewers are dangerous places to play

Recently, it has been noticed that there are kids playing in and around the culvert and storm sewers in the neighborhood, specifically the ones that are near Star Canyon, that go under the road and toward the Beaver Pond. This is not a safe practice. As the leaves of last season continue to decompose, and less than normal oxygen levels may be present inside these structures, it can cause an Immediate Dangerous to Life and Health atmosphere. Additionally, with the nice weather, we will soon be joined again by our resident animal friends who have been hibernating all winter, which commonly use these systems for safe refuge. Please remind your kids to maintain an awareness and to not play near or enter them.

## Split Rail Fence Painting in Filing 3 - Update

**APRIL 19, 2021 UPDATE** - Prep work is under way with **weather challenges affecting the project.** **Approximately 30 new fence posts need to be replaced, as well as rail replacement and the final painting.** The photo was taken looking East-Southeast. This is the southern boundary of TrailMark.

# Dumpster & Donation Day

Back by popular demand! The TrailMark HOA Board is excited to announce another Dumpster and Donation Day. In the Fall of 2020, the HOA Board sponsored a Dumpster and Electronic Donation Day and it was a huge success.

Several neighbors have asked the HOA Board to please sponsor and organize a Spring Dumpster Day. Through many suggestions and comments from the Fall 2020 event, the HOA Board learned that several homeowners would also like to see a donation option for homeowners who would like to donate old clothes, gardening tools, etc. The HOA Board agreed and has organized a Spring event that will allow homeowners the opportunity to dispose of items in the dumpster, or donate their unwanted (re-useable) items to Goodwill.

Dumpster/Donation Day 2020—Photos by Sally Janssen

The entire HOA Board invites you to participate in our Spring 2021 Dumpster/Donation Day here in TrailMark. The details.....

**Who?** You of course!! Please round up your old stuff and do the Spring Cleaning you keep saying you will do every weekend.

**What?** We will have two huge GFL Dumpsters to throw out those unwanted Spring cleaning items that are too large for your weekly trash container (**GFL Waste Material Guidelines**). We will also have a semi sized Goodwill Trailer to accept donations of your unwanted (re-usable) items. Goodwill has offered their trailer Free of charge to our community as long as we have some volunteers to accept donations. Please see **Goodwill's lists of acceptable and not acceptable donations**. Goodwill is providing receipts for donations of re-usable items. Goodwill and GFL have both asked the HOA to please publish that you are not allowed to dispose of your trash or donations until the event is open. In other words, **please don't leave your trash or donated items around the dumpsters or Goodwill trailer if no one is present.**

**Where?** Just South of 9975 West Baden Drive. In order to drop off your unwanted items, you must drive northbound on TrailMark Parkway and stay on the road until it turns into West Baden Drive. Continue driving westbound on Baden Drive until you reach 9975 West Baden Drive. Drop off your trash and donations. Then, please exit by driving southbound on South Johnson Street or West Cambridge Place. This will keep all residents safe from cross traffic, allow traffic to flow smoothly, and keep the event organized. Linda, our internet guru, has provided a map of the location for safe and easy travels.

**When?** Saturday, May 8th, 2021 from 8:00 a.m. to 12:00 p.m.

**Why?** This event was created for homeowners to get rid of unwanted items. Many of these items are too large to put into your weekly trash or recycle receptacle. So please mark your calendars for Saturday, May 8th, 2021 between 8:00 a.m. to 12:00 p.m.

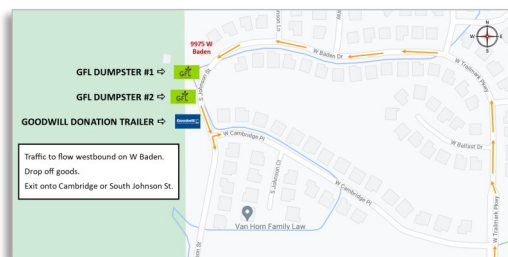

**How?** Residents of TrailMark are allowed to partake in this Dumpster/Donation event. The TrailMark HOA Board would like to extend this wonderful event to **TrailMark residents only**.

HOA Board Members will be working the event. The HOA Board is still looking for volunteers. If you are able to help the HOA Board as a volunteer on Saturday, May 8, 2021 between 8:00 a.m. and 12:00 p.m., please send our President, Ken Colaizzi, an email at [president@trailmarkhoa.org](mailto:president@trailmarkhoa.org). We have also put a call into Littleton Police for their assistance with traffic mitigation. If you see Littleton Police Officers that day, please follow their directions and thank them for keeping our neighborhood safe. We are thankful to work cooperatively with the Littleton Police Department.

We look forward to seeing many of you on Saturday, May 8th for our Dumpster/Donation Day!!

Thank you,

## Bears are waking up and foraging. TrailMark - Be Vigilant!!

**Remember: Colorado is bear country!**

**Please Do Your Part to Keep Bears Wild!!**

### Be Bear Aware!! – Bear Facts for Homeowners:

- \* Taking steps to avoid attracting bears with food or garbage is the best way to prevent bears from becoming a nuisance.
- \* Bears follow their super-sensitive noses to anything that smells like food. They can follow scents from up to five miles away.
- \* Per TrailMark trash service policy, keep garbage cans secured until the morning of collection day. Do not place trash cans on the street/curb until the morning of trash service.
- \* Normal noise made walking on a trail should alert a bear to your presence, prompting it to leave before you see it.
- \* If you see a bear, use common sense:
  - ⇒ Never approach the animal; observe it only from a distance
  - ⇒ Make it aware of your presence by clapping, talking, singing, or making other noise.
- \* Keep dogs leashed.
- \* Make children “bear aware!!”
- \* Never feed bears!!!!!!

If you see a bear or have evidence of a bear (such as bear scat), please notify Colorado Parks and Wildlife. They gather information for reports and advise the local officer if removal is necessary. Contact Colorado Parks and Wildlife at:

# Red Flag Warnings and Wildfire Conditions

By Einar Jensen, Risk Reduction Specialist  
South Metro Fire Rescue

As winter loosens its grip on our region, there will be more Red Flag Warnings in weather forecasts. Red Flag Warnings describe conditions that make wildfires worse but in themselves do not cause wildfires.

Fire, remember, needs three ingredients: oxygen, heat, and fuel. Before a solid fuel can burn, it must be dry and it must contain enough heat that its molecules break apart into the fuel's gaseous form. When a heat source is applied to a solid fuel, the fuel absorbs heat. Initially that heat causes any remaining water content to evaporate as steam. In a process called pyrolysis, the dry fuel absorbs more heat that causes its molecules to vibrate rapidly enough to fragment into the fuel's gaseous form. It's this gaseous form that burns in a flame.

There are three components of a Red Flag Warning: low humidity, hot air temperatures, and strong winds. Each of these components contributes to fire danger; together they can supercharge wildfires into raging infernos capable of destroying neighborhoods and injuring or killing people.

**Relative humidity** is the amount of moisture in the air. When air moisture is higher than fuel moisture, solid fuels absorb moisture from the air. However, when humidity is lower than fuel moisture, the air absorbs moisture from solid fuels. Thus, weather conditions with low relative humidity steal moisture from solid fuels increasing the speed at which they absorb heat for pyrolysis.

**Air** holds more moisture as its temperature increases because the air expands. Hotter air temperatures also preheat fuels, create tougher working conditions for firefighters, and can drive winds.

**Wind** results from temperature-induced air movement in the atmosphere. Wind can replace saturated air with dry air around fuels and fan flames with more oxygen. Strong wind can push wildfires into unburned fuels, push fire downslope, and carry embers—airborne chunks of burning fuel—downwind to create new wildfires.

South Metro Fire Rescue and other agencies often increase staffing or adjust the positioning of resources during Red Flag Warnings because of the potential for wildfires to grow and spread more rapidly than usual.

However, it's critical that residents and visitors also adjust their behavior when the National Weather Service issues a Red Flag Warning. Those are the wrong days for agricultural burns, campfires, fireworks, or careless actions with heat sources.

Given the region's current drought conditions and anticipated weather patterns, we expect several Red Flag Warnings this summer and autumn.

For information on wildfire preparedness and other safety issues, visit [www.southmetro.org](http://www.southmetro.org) or contact us at [ReducingRisk@southmetro.org](mailto:ReducingRisk@southmetro.org).

# From the DRC - Exterior Homeowner Improvements

The Design Review Committee (DRC) had a busy month as 30 homeowner improvement request forms were reviewed in April.

If you are thinking about an exterior home project for this late Spring or Summer, below you will find a few helpful reminders and links to homeowner forms.

Exterior Home Projects are such improvements as: Painting, Landscaping, Roofs, Solar, Radon Mitigation, Fences, Driveways, Walkways, etc.

The DRC reviews requests the 1st & 3rd week of every month. Your request and accompanying documents, such as paint chips, must be received by the management company by 12:00 noon on the Friday prior to the DRC meeting, to ensure your request is complete and can be reviewed without delay.

Per Article 4 of our Declaration of Covenants, Conditions and Restrictions for TrailMark, prior approval is required for any (exterior) property improvement.

The HOA process begins with submitting the Home Improvement Request Form to the Design Review Committee (DRC) prior to initiating any project.

Find the appropriate forms on the TrailMark HOA website:

<https://www.trailmark.org/hoa-documents-amp-forms.html>

a. Download the Home Improvement Request form at:

# Oh, our Furry Residents that like to Bark and Jump

The HOA has again been made aware of inappropriate dog behavior - barking at all hours during the day and night and/or jumping against fences. Please be aware that the HOA has no authority to intervene in these issues. If a homeowner decides that a dog's barking and/or fence jumping is excessive, one may address it with the dog owner, or report the incident to the Littleton Police Department by calling 303-794-1551, providing specific addresses, or at least, a general location. The Police Department will alert animal control for further action.

In the meantime, dog owners, please be aware of your dog's behavior and how it might impact others. While some barking is natural, excessive barking is not. Excessive barking and/or fence jumping can be irritating and often threatening to other homeowners. Please be a good neighbor and take action if warranted.

## Retaining Wall Repair

A TrailMark homeowner who lives on South Everett Way was kind enough to alert the HOA of a potential hazard in regards to the retaining wall behind their home. This retaining wall was originally installed by Shea Homes and is located between the north side of TrailMark and the Botanic Gardens. The homeowner reported that many of the top pieces of the wall were coming loose on this 20 foot tall wall. According to the homeowner, the top stones have come loose due to age, and because some kids choose to walk along this high wall. Walking on top of this wall is dangerous and definitely not recommended.

Mat Birkeness, our property Manager at CRS, and Ken Colaizzi our HOA President made a site visit to inspect the damage to the retaining wall on Tuesday, April 13th. Mat offered to set up a contractor to come out and glue the top stones back to the wall. Unfortunately, with contractors being in high demand this time of year, Mat was not able to get a firm date of when a reliable contractor could come do the repairs.

Ken offered to come over and glue the top stones that were loose with construction grade adhesive. As Ken reported, "Wow - it's high up on this wall." It took Ken two days, but needless to say, our HOA President stepped up and completed the job for our neighbors and volunteered his time and materials to our TrailMark residents. Thank you, Ken Colaizzi, for helping the TrailMark residents with a FREE repair, and thank you to HOA Treasurer, Phil Kinney, for snapping photos of the endeavor. Congratulations on a job well done!

## TrailMark Kids Bike Ride with Mr. Donovan

Saturday, June 19th at 9:00 am.

Meet at TrailMark Park at 9:00 am. Kids Bike ride begins at 9:00 am.

TrailMark resident Mr. Rob Donovan is a professional bike rider and coach and has volunteered to supervise and conduct the first ever TRAILMARK KIDS BIKE RIDE. Mr. Donovan will lead all of the kids on a very “kid friendly” bike ride experience through the trails of TrailMark. A [map](#) has been provided for the 3-1/2 mile adventure. Parents are welcome to join their kids on this fun bike ride. We estimate the bike ride to last about one hour.

The Kids Bike Ride will end at TrailMark Park at approximately 10:00 am. HOA President Ken Colaizzi and Rob Donovan are project managers for this event and are providing cold drinks at the end of the ride. There is no cost involved - so please come out and enjoy our beautiful neighborhood and get some exercise.

Mr. Donovan has kindly asked us to publish a few rules for the Kids Bike Ride...

1. All riders must be on a pedal bike.
2. No scooters or electric scooters.
3. HELMETS ARE MANDATORY.
4. This is not a race - it's a fun bike ride with Mr. Donovan. Please be considerate of other bike riders.
5. Please listen to all volunteers for your safety.
6. After enjoying your cold drink at the end of the ride, please throw all trash away in the park trash cans.

Please follow [covid guidelines](#).

# Family Photo Day Series

**FRIDAY, JUNE 11th**

**SATURDAY, JULY 17th**

**FRIDAY, AUGUST 27th**

We have 3 amazing resident photographers offering 3 opportunities to get a free family portrait taken in our beautiful neighborhood. **Sign up** for ONE time slot between 6:00 and 8:00 pm and bring your family for one free family pose. THIS IS NOT A FULL SESSION. Please respect the photographers' time and generosity. Additional poses may be available for purchase IF TIME ALLOWS. If you like the result, consider hiring one of these lovely ladies to do a full session with your family!

\*Note: There are 4 family slots available per 30 minute time. Arrive early in your time slot and be first in line. When you arrive please adhere to social distancing guidelines and wait for your family to be called up by the photographer. Wait time, therefore, should be no more than about 25 minutes! Please only sign up if you can commit to being there!

## Letter of Gratitude from Mr. Olson

HOA board president Ken Colaizzi received a heart felt emailed letter of thanks from Randy Olson in regards to his garage sale and the support that he received.

We wish Mr. Olson well in his future endeavors.

Ken, I want to thank you and the board for allowing and publicizing the garage sale on 4/17 and 4/18 as I sadly leave the wonderful TrailMark Community that I have been fortunate to be a part of these past 18 years.

My departure from TrailMark demonstrated to me what a marvelous community it is, as demonstrated by the many members of TrailMark that responded to and participated in the garage sale. It demonstrated to me, in these somewhat divisive and confrontational times, that this community has an undeniable cohesiveness and willingness to be of service to the members of the TrailMark Community.

Gratitude is the word I have chosen to express my feelings to all that lent a hand in the implementation and success of the sale.

Gratefully,  
Randy Olson

# Easter Bunny Photo & Egg Pick-up fun for All!

The entire HOA Board would like to thank the TrailMark Social Committee for organizing, volunteering, and helping with our successful Easter Bunny event at Hogback Hill Park. Did you know that our TrailMark kids collected around 2,000 eggs?

Parents, kids, and dogs took pictures and gave lots of high fives and fist bumps to the Easter Bunny. A special salute goes out to President Ken Colaizzi for stepping up and playing Easter Bunny - he had fun too!!

# Garbage & Recycling Update

## GFL is our Trash and Recycling company

You will no longer be seeing the Alpine logo and information in our communications outlets. Alpine has been transitioning to GFL Environmental over the past couple of years and the changeover is complete.

Please refer to our [Garbage & Recycling](#) page for more information.

We are waiting for an updated list of items that are accepted for recycling from GFL. When we receive it, we will post it on the [trailmark.org](http://trailmark.org) website and our social media outlets.

## Garbage Pick-up delayed due to Memorial Day holiday

TrailMark's garbage & recycling pick-up will be delayed from Tuesday, June 1st to Wednesday, June 2nd due to the Memorial Day holiday.

# Click or Call Before you Dig

If you're digging deep or even just a few inches, you must contact [Colorado 811](#) to have underground utilities marked. [iDig811](#) is designed for residential and professional excavators to easily and quickly submit a utility request online.

## TRAILMARK EVENTS AND COVID-19 RESTRICTIONS

TrailMark will continue to offer social events to contribute to our sense of community. As previously published, with the COVID-19 pandemic, these events will continue provided all participants do so in a safe, responsible manner. This means observing social distancing and wearing face coverings. We understand that some may feel uncomfortable attending these events given the uptick in COVID cases. However, if you wish to participate you must agree to "play by the rules" – Participants must wear a face covering and observe 6-foot social distancing between family units.

- Children 10 years and younger are not required to wear masks because the evidence so far has shown that children in this age group are much less likely to spread COVID-19 than older children and adults. It is also less likely that children of this age will wear a mask correctly.
- Children ages 2 and under should NOT wear masks or cloth face coverings.

If you're comfortable, come out and enjoy yourself – listen to some summer music and/or indulge in food truck offerings. If you are concerned with being in a crowd, or are uneasy about participating, please stay home. Please be reminded that the TrailMark HOA assumes no responsibility for any illness caused by attending our events. If families, including children, do not observe social distancing and wear face coverings, you will be asked to leave. Failure to leave when asked, or if it is determined that attendees are not observing our simple rules, then for the safety of all TrailMark residents future events may be cancelled. If you attend our events, PLEASE, enjoy yourself and do so responsibly. We all thank you.

## KNOWLEDGE SHARE FAIR

**Saturday, May 22nd**  
9:00 am-12:00 pm  
Hogback Hill Park

A time for adults to get together as neighbors and friends to share skills, talents and knowledge as well as swap books. A time to build community through getting to know our neighbors better through the sharing of our skills, talents and abilities. The social committee will work together with individuals, with information to share and books to swap, to create a space for sharing at the park. This event is intended for adult individuals sharing as a neighbor in the community and not as part of a business or as a vendor.

**We need volunteers with skills, talents and knowledge they believe is useful to the community. Please email the social committee by May 1, 2021 at [social@trailmarkhoa.org](mailto:social@trailmarkhoa.org) to volunteer and tell us about your knowledge, talent or skill. Some examples of skills, talents and knowledge:**

- Gift Wrap/Ribbon Tying – the person providing this information would bring their own ribbon, gift wrap, etc. to demonstrate their skill
- Beetle Prevention – the person providing this information could bring handouts of the information they are sharing for later reference.
- Acrylic Pour Painting – the person demonstrating this would bring their own paints, canvases, etc. to demonstrate how the technique is done. They would not bring supplies for other people to try it. It would only be for demonstration purposes. People attending could make videos of the demo on their phones.

Volunteers sharing information should bring a table, chair and/or pop-up tent. If they don't have those items, let us know and we will look to the community to donate them for the day. We also ask the individuals to bring their own supplies and information to support the knowledge, skill or talent they would be sharing. For the book swap, we ask individuals to bring their books to the park prior to 9:00 am the day of the event so they can be arranged on tables. Any un-swapped books will be donated.

***COVID-19 GUIDELINES will be strictly followed for everyone at this event.***
